Summary

Hello! My name is **Dylan Lambertson**. I am a **High School student**. I am familiar with most popular coding languages (HTML, CSS, PHP, Etc.) and most popular Operating Systems (Ubuntu, Debian, Etc.) and most commands and other tweaks that are productive. Out of my coding life, I am a Male Gymnast competing under USAG Governing Body as a Tumble and Trampoline Athlete.

Experience

Chief Operations Officer (COO)

Asphire Hosting

04/2022 - 07/2022

During my time at Asphire Hosting, I have accomplished a lot of my goals that I set yearly. First off, I was able to sell \$450+ worth of Services (VPS's, Dedicated Servers, Colocations, Game Servers, Etc.) and rise the Company out of the starting debt. From there, I have taken leadership with being named Head of Support and Development Team. I have taught people the basics of Coding Languages and guided them through installations on various operating systems.

Chief Technology Officer (CTO)

Thermal Hosting

07/2022 - 09/2022

During my Experience within Thermal Hosting with Josh Severo as CEO and Holder of the Company. I managed the Companys Server, Nodes, Panels, Etc. I was also active within Support, Sales, and Technical Tickets. I completed out billing system (WHMCS) with the products listed with detailed descriptions and intergrated with there panels so the servers will Automaticlly create for the user in Seconds.

Skills

Leadership, Knowledgebase of Various Coding Languages, Knowledgebase of Various Operating Systems, Communication
